

50th Class Reunion GMC Class of 1965-1972

Drs. Prabhakar, Indrasekher, Pundari & Sreenivasa Chary

Drs. Pundari, Indrasekher, Lingaiah, Somaraju, Sreelatha & Pratap

Teachers & Students

We all gathered on the 16th morning as scheduled at our Alumni Center which was ornately decorated with “MUGGULU” on the floor & Floral arrangements all around. We were received by our local Host committee, registered for the event, offered refreshments, delicious Hyderabadi Chai & seated.

Our Chief Guest Dr. B.Soma Raju the renowned Cardiologist enlightened the audience with his interesting observations on the future of Health care & our role as care givers.. This was followed by honoring our teachers & colleagues. After some mouth watering Dosa,vada, upma.Deserts & coffee we boarded the Buses to AALANKRITA Resort. Come evening it was time for group activities. We the audience participated in several fun games hosted by Star entertainment. As the evening progressed we moved to the open Lawn area for Dinner while “BHOGI MANTALU “ kept us warm. The following morning after breakfast & Photo session it was time to recollect memories over Tea. Each person present shared a personal memory that made us laugh, cry & hold hands. This evening we were entertained by Two groups of Folk dancers & a musical group. Dr. B.Laxman Rao gave a Harikatha performance of Gajendra Moksham dressed in the typical Bhagavatar Attire.

Drs. Swapna & Lateef

Drs. Vishwanathan, Chandramohan & Rajsekher

Enjoying sitting on the Heritage Structure with Secretary Alumni Assoc.

Dr. Laxman Rao

The program continued with a few words from the Hosts & Guests over sumptuous Dinner. As the night came to a close our hearts were filled with Joy & a sense of past relived though for a short period. The next morning was different in that it was time to bid Good bye.

We were sad that this had to end but the hope that we would relive a similar experience in the near future was reassuring & made the burden easy to bear. Dr. MadhavaChary’s closing comments will always echo in my ears.” WE SHALL MEET AGAIN’. This event prompted Dr.Madhusudhan Borde to Jump start a Scholarship in Memory of Dr. N.R.V. Swamy. He has contributed \$2000 as seed money. Those of you wishing to make contributions were asked to contact Dr. S. Ravinder Reddy.
